

Mp3 Vengeal Dreams - Beyond The Wall Of Dreams

[DOWNLOAD HERE](#)

The sound can sometimes be fierce and vicious, but then again calm and peaceful, like a dream. Enter yourself into the realm of Vengeal Dreams. 10 MP3 Songs ELECTRONIC: Ambient, ROCK: Progressive Rock Details: Calmly the waves are washing ashore. Among the sounds of the surf and seabirds, a high choral voice is rising that slowly evolves into a natural environmental symphonic experience, meditative textures and orchestrated sound sculptures. The serene and atmospheric soundscapes almost becomes visual and can lead you to an mysterious and idyllic world full of haunting melodies and dreams. Suddenly the scenery can change into phrases of high energy progressive electronic rock with monotonous drones or lush pads and then again descending onto a spiritual world with fantastic scenes beyond time and finally rests into a magical state of ethereal ambiance. The music of Vengeal Dreams is not artificial or invented but fully inspired by incidence, moods and dreams. A single beat or phrase can be the threshold to a complete song or even an entire album.
