A rugged mix of verbal styles, on ridiculous neck-snapping tracks. This displays a totally aggressive, uncompromising stance on TRUE HIP HOP. 5 MP3 Songs HIP HOP/RAP: Spiritual Rap, HIP HOP/RAP: Rap Details: We Are Revoulutionaries Music Group (W.A.R. Klick) was established on March 28, 1999 During a visit to Oral Roberts University in Tulsa, Oklahoma, the Holy Spirit impressed upon us that we were the salt of the earth and that we were to revolutionize the avenues by which the gospel of Jesus was sown into the lives of this generation's youth. The Holy Spirit impressed upon us to call ourselves W.A.R. which means We Are Revoulutionaries. Since then W.A.R. Klick has traveled both domestically and internationally proclaiming the gospel of Jesus Christ via gospel rap. W.A.R. Klick has shared the stage with artists such as Angie and Debbie Winans, Gospel Gangsters, Farris Hill, and Virtue, just to name to few. As gospel rap artist seeking to expand the kingdom of God, we continue to seek out avenues to reach a generation in desperate need of the love of Christ. We strive to make our lyrics confessions of life, health and prosperity. Our mission is the Great Commission and we radically and relentlessly press toward the mark of the prize of the high calling in Christ Jesus.
