Details: A Zydeco tribute to Classic Rock that's more fun than Mardi Gras Zydeco All Night is a tribute album like you've never heard before 10 classic rock songs played by the zydeco band Zydecosis. Can you imagine what Led Zeppelin or Aerosmith would have sounded like if they had formed the band in South Louisiana? Would Walk This Way be as kick-ass if it was played with an accordion? Would "Whole Lotta Love" rock as hard with a washboard solo? Can you imagine that? Yea, neither could Zydecosis. Which is exactly why they had to do it. So they took 10 rock-n-roll classics and turned them into something totally unimagined. You dont have to be from Louisiana to get the feeling. Its all on the new CD by Zydecosis Zydeco All Night. An amazing collection of classic rock tunes played with a hard-partying zydeco style. Zydeco All Night is the most unique sounding classic rock tribute album. Youve probably been listening to great classic rock for years. Bands like Led Zeppelin, Black Sabbath, The Who, and Aerosmith are probably in your CD collection right now. Great music, right? But Zydeco All Night takes a look at all these classic songs in a way that's never been imagined before. Their perspective is so unusual that you better prepare yourself for a big surprise, a positively fun one. Zydeco All Night takes you on a trip. In a single moment you will find yourself in the middle of a zydeco party that's more fun than Mardi Gras. You will be partying hard to the tunes that made classic rock classic....zydeco style!!!
