

The Lives Of Erich Fromm: Love's Prophet - Lawrence J. Friedman

[DOWNLOAD HERE](#)

Erich Fromm was a political activist, psychologist, psychoanalyst, philosopher, and one of the most important intellectuals of the twentieth century. Known for his theories of personality and political insight, Fromm dissected the sadomasochistic appeal of brutal dictators while also eloquently championing love which, he insisted, was nothing if it did not involve joyful contact with others and humanity at large. Admired all over the world, Fromm continues to inspire with his message of universal brotherhood and quest for lasting peace. The first systematic study of Fromm's influences and achievements, this biography revisits the thinker's most important works, especially *Escape from Freedom* and *The Art of Loving*, which conveyed important and complex ideas to millions of readers. The volume recounts Fromm's political activism as a founder and major funder of Amnesty International, the National Committee for a Sane Nuclear Policy, and other peace groups. Consulting rare archival materials across the globe, Lawrence J. Friedman reveals Fromm's support for anti-Stalinist democratic movements in Central and Eastern Europe and his efforts to revitalize American democracy. For the first time, readers learn about Fromm's direct contact with high officials in the American government on matters of war and peace while accessing a deeper understanding of his conceptual differences with Freud, his rapport with Neo-Freudians like Karen Horney and Harry Stack Sullivan, and his association with innovative artists, public intellectuals, and world leaders. Friedman elucidates Fromm's key intellectual contributions, especially his innovative concept of social character, in which social institutions and practices shape the inner psyche, and he clarifies Fromm's conception of love as an acquired skill. Taking full stock of the thinker's historical and global accomplishments, Friedman portrays a man of immense authenticity and spirituality who made life in the twentieth century more humane than it might have been. Author: Friedman, Lawrence Jacob Publisher: Columbia University Press Illustration: Y Language: ENG Title: The Lives of Erich Fromm: Love's Prophet Pages: 00456 (Encrypted EPUB) On Sale: 2013-02-19 SKU-13/ISBN: 9780231162586 Lib Category: Psychoanalysts - United States Lib Category: Fromm, Erich Category: Biography & Autobiography : General
