

Uncovering The Mysteries Of God - Jeff Kinley

[DOWNLOAD HERE](#)

How could Christ be fully man and fully God? If God is all-loving and all-powerful, why does he allow pain and suffering? Although we have all heard these questions before, and perhaps asked them ourselves, Jeff Kinley presents these age-old questions in a new light, one that speaks to today's generation and their perspective on the world. Structured like a mystery novel, Uncovering the Mysteries of God has each chapter center on an issue or case, as in Chapter 8: Case of the Disappearing Bride The Mystery of the Rapture where Kinley examines what the Bible says about the return of Christ, treating it like a Missing Persons File. For this generation of believers who are willing to linger in the unknown, Kinley does not really answer any of the questions he poses, but simply comes to them with fresh perspective, some hard facts, and a captivating style that will inspire readers to try and solve these mysteries for themselves.
