

Celestial Bodies: Tales Of Paranormal Delights - Michelle Houston

[DOWNLOAD HERE](#)

16 STORIES OF PARANORMAL COUPLING. Michelle Houston, author of the bestselling *Bedtime Tales*, is back again with another anthology of wicked tales and decadent escapades. This time she brings to life 16 stories of paranormal coupling, futurist possibilities and a glimpse of what could have been.

Shape-shifters, Vampires, & Aliens . Oh YEAH! In *CELESTIAL BODIES*, a futuristic couple finds that it is possible to make love in zero g. On his birthday, a man wishes to understand the female mind and wakes up a woman. A Greco-Roman myth comes to life bringing adventure and exploration of the senses to a very ordinary mortal. A very sensual vampire nibbles and savors his way through life. A werecat's companion finds that in the right context, pussy is very nice. Pandora, a woman created by the Gods, awakens to her sexuality. A lonely ghost finds that watching almost makes up for what she missed. A werewolf prefers to sample the essence of female arousal rather than howling at the moon. And more . Lisa Lambrecht of *In The Library Reviews* hails the author's work as "a refreshing addition to the erotic world of romance and one that I'll be anxious to read more of in the future." Cover: T. E. Burden Author:
