Link Directory Submitter Master Resale Rights Forget Asking For A Link Exchange Directory Submission is the Key to Strengthening Your Google PR Increasing Your SE Rank! The Current Version is v3.0 loaded with more than 2700+ Directories and loads more features! Let s recap on what you can expect from the Link Directory Submitter : * You ll increase your site popularity in record time. * You ll receive more traffic by gaining a higher position in search engines, such as Google, Yahoo! and MSN. * You ll stop wasting time manually submitting to link directories. * You won t have to search for themed websites. We now have more than 2700+ quality directories already included. * You will greatly reduce your reciprocal links from your website because more than half the directories included in the software require NO back links to them. * You ll cut down the number of directory rejections. * You don t have to upload anything to your website. Everything is done from your desktop! * You can submit ALL of your sites by using multiple profiles. * The software is so easy, my 10-year-old niece whizzed through it in a matter of minutes! * Each link directory in the submitter shows the directory s current Google PR. * You get FREE lifetime updates to any new versions we release. * You get fresh link directories to submit to by simply

clicking the Update Directory Button from within the software, Each month we add between 50-100+ new directories into the submitter. * The Link Title, Site Description and Keywords are rotated with each submission to a directory. This is to make each submission look as unique as possible from each other, and also to help get your website listed in search engines under many different keywords and link titles. * Import and Export website profiles is now also included * Users can now assign a custom color to each directory in the submitter, this is useful if the user wishes to use a color coding system to keep track of submissions or anything else. * A submission history rep Tags: twitter,
