

London City Daytime Skyline Atmos (town) Sfx Sound Effect

[DOWNLOAD HERE](#)

Recorded in stereo on the top of a 6 storey building in central London, this sound effect perfectly captures the sounds of the city from perspective. All files on sale by Sevenleaf SFX have been recorded by professionals and are available for you to download as 16 bit 48kHz stereo wav files. Previews are low quality mp3 files with security watermark beeps. Purchased files are broadcast quality wavs without watermarking.
