Geoff is in the city, living the gay life to the hilt, when his father's death convinces him to return to the family farm. Discovering a young Amish man asleep in his barn, Geoff learns that Eli is spending a year away from the community before accepting baptism into the church. Despite their mutual attraction, Geoff is determined not to become involved with him, but Eli has discovered that Geoff shares his feelings and begins to court him, neatly capturing first Geoff's attention and then his heart. Their budding relationship is threatened by closed-minded, gossipy relatives and the society at large, a whole new world to Eli, and he must decide whether to return to the community, his family, and the world and future he knows or to stay with Geoff and have faith in the power of love.
