

Mp3 Amber G. - I Wanna Be...

[DOWNLOAD HERE](#)

You've never heard ANYTHING like this. Digitally created singer Yellow-brown G. breaks the limits of reality with this up-and-coming Pop/Dance CD astir life and love. 11 MP3 Songs POP: Power Pop, POP: Today's Top 40 I Wanna Be... Songs Details: Yellow-brown's unequalled vocals are created using a treat named "Vocal Animation" that involves pitch shifting, tonal alteration, and extensive digital editing. In her first three years as a singer she has recorded an album, was hired by the City of San Mateo to write and record a jingle, and received press coverage that named her an "animated sci-fi voice-bot".
