HOW DID I GOOGLE THIS? 16 fun and energetic pop-rock tunes about work and technology. Topics include working retail; I.T. Departments; interns; blogs; the ubiquitous bagged lunch; Google; consultants; and "sleepworking" through life 16 MP3 Songs POP: Beatles-pop, POP: Quirky Details: ALL IN A DAY'S WORK 16 fun and energetic pop-rock tunes about work and technology. Topics covered include not wanting to go to work; being bossed around; I.T. Departments; interns; not "getting the memo"; working retail ("Can I help you please?"); office gossip; google; the ubiquitous bagged lunch; daydreaming about a more adventurous job; annoying project consultants; and "sleepworking" through life. "All In a Day's Work" was originally recorded within one month (February 2007) as part of Record Production Month Challenge 2007 (rpmchallenge.com). Unlike the version that was submitted March 1st, 2007 to RPM Headquarters, this version contains 3 additional songs that fit the theme culled from Beatnik Turtle's ongoing free song project thesongoftheday.com. \_\_\_\_ For more information about Beatnik Turtle (including free music!), visit beatnikturtleor thesongoftheday.com
