The songs and incidental music from a song cycle/narrative about Susan B. Anthony. 8 MP3 Songs in this album (26:17)! Related styles: FOLK: Modern Folk, SPOKEN WORD: With Music Details: Songwriter/composer Bob Warren has written a song cycle/narrative about the great Susan B. Anthony. Only the Message Mattered focuses on the early influences that shaped her, and on the famous 1873 trial The United States of America vs. Susan B. Anthony, a result of her casting a ballot in the elections of 1872. Only the Message Mattered has been presented on numerous occasions since its creation, (see review below). Now, the songs and incidental music are gathered together on a new CD to be released on February 15th, (Susan B. Anthonys birthday). The album was recorded by Chris Roberson and features cellist Monica Roach, pianist Bob Warren, and singer/narrators Brittany Rivers, Rebecca Rogers and Barbara Skiff.
