London diva Kathy Diamond teams up with electro-funk duo Codebreaker for a revved up and hard-hitting collaboration on the white-hot new imprint Disco Demolition Records. 2 MP3 Songs ELECTRONIC: Disco, URBAN/R&B: Funk Details: London diva Kathy Diamond teams up with Milwaukee based electro-funk duo Codebreaker for a revved up and hard-hitting collaboration on the white-hot new imprint Disco Demolition Records. Side A's "Fire" has Kathy directing Codebreaker's groove with a commanding atmosphere soulful attitude. "R.I.M.L." is a modern disco anthem of sorts. By no means a trendy hipster disco cut, R.I.M.L is an extrapolation on acts such as Chic, Donald Byrd, and GQ, but with a tasteful 21st century appeal. The DDR extended mix lets the groove ride hard with cosmic, spaced-out excitement. The combination of these two fine underground talents has yielded a total instant classic. Look for much more to come from Codebreaker and Disco Demolition Records in 2008 and beyond! 12" vinyl version available through: myspace.com/discodemolitionrecords People who are interested in Daft Punk Justice Amy Winehouse should consider this download.
