Show all album songs: My Country Side Songs Details: Hey! everybody, I would like everyone to know that from early childhood I was cast into music. My father Alfie Fromager, was a hard working muscian that managed to raise and support a family of 7 children. Not the normal traditonal family. He landed a T.V. variety show on CKVR T.V. in Barrie Ontario and dicovered many Candian talents. I grew up under that umbrella. I landed a record deal and was crowned the youngest recoring artist in southern Ontario, Canada. Later in life I moved to Nashville for 10 years. That is where I gained a lot of experience. I got songs published by 3 different publishing companies and met up with Dewayne Blackwell (MEGA)hit songwriter "Friends In Low Places" Garth Brooks, for one. We became very good friends and hung out together for a few years. He co-wrote a song on this CD "How Can I Change Things Now" with me and it climbed up the top 100 Candian Cancountry chart. In the past 2 months my songs have been picked up by radio stations all over the world, THANKS to Frank Fara at my U.S.A.label "Comstock Records" for discovering me and getting me out to the international market. BIG thanks again Frank. Also I would like to thank Joe Wood from Toronto, with so much on his plate,to get me out to the Canadian radio market. Right now I have a song from this CD "The Best Tears Of Her Life" sitting at # 2 on a chart in South Carolina (U.S.A.) Hope you enjoy the CD. Thanks, David Fromager davidfromager.com
