

Mp3 De-u Records - It's Elementary

[DOWNLOAD HERE](#)

Children's learning tool set to high energy music with hip hop and pop styles. Education meets Hip Hop. As seen in the Washington Post also featured on NPR and BET. 9 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Kid Friendly Details: It's Elementary is a great way to introduce your young child to the ABC's, counting and more. We designed our CD to build the solid foundation your child will need to succeed in school, while making learning fun and exciting. It's Elementary covers the major topics your child will need for Pre-K through the 2nd Grade. They will learn their ABC's, counting by 1's, The Day's of the Week and the Month's of the year. Each track has fun songs that your child will love to bop to again and again. Capturing your child's attention and imagination is half the battle! They will be able to commit the lessons taught to memory with ease through the use of rhythm, repetition, and reinforcement. With It's Elementary success builds upon itself with a strong foundation in the basics your child can build years of achievement. About De-U Records, Inc.
