Alternative melodic rock with jazz overtones 8 MP3 Songs ROCK: Modern Rock, ROCK: Jam-band
Details: Middle America is the collection of life stories of 4 young Chicago musicians striving to figure it all out: life, love, and all the things that make us who we are. The journeys have been long and difficult as the members of Donovan's Mom each made their way from the small towns of the Midwest to Chicago. Let them shape you the way they have shaped Donovan's Mom.
