Lyrical executioner of hip-hop music emerges that gives the audience something to think about, relate to, and call to action. With an Insane delivery, Unforgettable lyrics, and a Demanding swagger, Entell can be easily placed in the category of Jay-Z 14 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: East Coast Details: From Fayetteville, North Carolina a new hip-hop prodigy is emerging on the scene complete with all of the essential elements required to make him a sure-fire success. Aaron White a.k.a. Entell makes up one of North Carolinas premier rap soloist. While growing up, obtaining a strong influence from hip-hop music was apparent. Listening to artists ranging from Notorious BIG, Eminem, Run DMC, and his love for music flourished during these years, which gave him a foundation to build on. As the late 90's arrived, Entell begin taking steps required to sharpen his skills to a competitive level by writing poems and lyrics. Attending school of the arts in his younger years gave Entell familiarity with different instrumentation, so he develops a fetish for writing music to all types of genres. Being one of the members of Darkshadows, a hip-hop trio, they recorded their first single Cant Hold Us, which earned them an opening act for national recording artists Trick Daddy, and Trina. Coming from the country to the city to perform was a challenge, but they electrified the audience with their hit song Cant Hold Us in the Queens Music Festival in New York City. Featuring on songs such as Garbage Day, You Can See Me, and Fake IDs that placed second in the Def Jams Repyocity Contest, played as the Hot 104.5 Hot Pick at six for consecutive weeks, opening acts, and reviews from local newspapers. Having nurtured himself on a different level of the business, Entell continues to evolve into a commercial success. Writing lyrics and working with various producers, Entell has perfected his craft. His clever and witty lyrics, powerful, and crisp vocal delivery will surely have mass appeal. While he intentionally aims for the commercial market, Entell still keeps it underground. Entell has an unique, yet familiar sound, which captures the listeners

attention and before long will have them singing along. And dont get it twisted, his music is straight E=MCSquared. Currently, Entell will be releasing his debut album titled E=MCSquared June 2006. Entell has created a global presence and is receiving hits on numberonemusicfrom various countries, which includes United States, Germany, Australia, Canada, United Kingdom, and Netherlands. Since April 2006, Entell has over 6,600 song plays on his numberonemusic site. Entell has blessed his audience on the Hot Ta Def Compilation released December 2003, which sold 500 units the first week and still being digital downloaded.
