Heavy. Melodic. Infectious. Hard rock, the way it was meant to be played. 10 MP3 Songs ROCK: Hard Rock, ROCK: Modern Rock Details: This is Gaskit's second album, released in September 2004. Coming off their national tour, Saturation has been soaking fans in heavy riffs, catchy melodic hooks, and songs they just can't stop playing. Featuring "In My Hands," winner of the 2004 Songs Inspired By Literature International Songwriting Competition. Great songs and great performances coupled with personality and a determination to work hard for what they want, Gaskit has become synonymous with Active Rock, with an edge that only a Chicago band could bring. Their approach is heavy, with melodic hooks that are infectious. "The CD [Saturation] has a big time production sound...Freddie is a gifted singer who shows a wide range of influences, while Jason Jeremy provide a solid rhythm section to accompany Jay's hook-laden guitar riffs. Solid band. Solid future...sounds like Disturbed meets Tool." - Steve Fisher, DJ for 94.7FM WZZN, The Zone, Chicago "Their approach is heavy, with melodic hooks that are infectious. "Saturation" contains some really heavyweight riffs but the melodic feel is all over the album ... sounds like it's made for the radio stations that play rock. "What Did I Do" and "Simple Man" are two songs that became faves right away but there's more good stuff ... if you want to blow your brains out once in a while - Gaskit will do just fine! - Kaj from Melodic.net ----- LINER
