

Mp3 George Shaw - Dreams In The Morning

[DOWNLOAD HERE](#)

Expressive melodies in arrangements that range from soulful piano solos to lush orchestrations. 16 MP3 Songs in this album (64:32) ! Related styles: CLASSICAL: Film Music, CLASSICAL: Piano solo People who are interested in Frdric Chopin James Horner Thomas Newman should consider this download.

Details: Dreams in the Morning is a collection of composer George Shaws more intimate themes from his film scores. The music deals with themes of fantasy, loss, nostalgia, romance, comedy, celebration, and joy. It is performed with masterful and poignant instrumental solos, rich orchestral colors, and soothing electronic soundscapes. Like lingering in the memories and feelings after waking from a good dream, this album will leave you wanting to listen to it over and over again.
