Left of center pop-rock with tight harmonies and adventurous instrumentation. 14 MP3 Songs POP: Pop/Rock, AVANT GARDE: Psychedelia Show all album songs: Birth Of Confusion Songs Details: Have you ever watched a band play live and thought that the musicians were meant to play together? If not, then you should seek out Grand Theft Bus. The machine-like drumming of Bob Deveau is perfectly paired with Graeme Walker's precision bass lines. Add to that the tasteful chord progressions of Tim Walker's guitar and the many layers of Dennis Goodwin's chaotic and scattered guitar and synth lines, and you have the makings of one of Canada's most exciting, intense and original bands. With two full-length albums under their belt, Grand Theft Bus are currently putting the finishing touches on the follow-up to their widely-acclaimed 2005 sophomore release Flies In The No-Fly. If you like rock music that is intelligent and fun with interesting lyrics, tight vocal harmonies and pop/rock sensibilities...you've got that band right here.
