The first 10 years. This "best of..." album by Guido Negraszus offers his most beautiful, melodic and thoughtful music he has ever done, including 1 previously unreleased track 18 MP3 Songs NEW AGE: New Age, EASY LISTENING: Background Music Details: After 8 years I felt it was time to continue the MEMORIES DREAMS series which has been quite successful. The Memories Dreams CDs always reflected my impressions from journeys to different parts in the world. While the first two volumes have been dedicated to Australia (Vol. I) and Southeast Asia (Vol. II), the third edition is more of a collection of my best tracks from my CDs BLUE GARDEN, SUN OF THE SOUTH, CROSSROADS, THE BLACK SWAN and RAMBLE, which are not available anymore. I have been extremely excited to travel back in time in order to listen and select the tracks for this compilation. Overall I feel that Memories Dreams III emphasizes documents my passion for melodic, thoughtful and uplifting tunes. I also included 1 previously unreleased track (Feeling Good).
