Electronic alternative pop 10 MP3 Songs ELECTRONIC: Electro, POP: New Wave Details: Marcus Kihn is the quintessential renaissance man. Musician, designer, animator, producer. There is really no project he doesn't get involved with. His musical journey started back in his DJ days and has continued through to scoring films and recording full length albums. His most recent film project is a documentary titled Stronger Than Love directed by Hubert Davis and Calum deHartog. The film won the Best Short Film award at the Yorkton Film Festival in June of 2007. Finally having time to complete his most recent album titled City, Marcus gives us an electronic journey of thought provoking music and lyrics. The CD starts in one place and leaves you at another yearning for more. City is one of 2 albums Marcus has been working on simultaneously and the other is due to be released in the upcoming months. Sit back and enjoy the beat driven soundscape of City and let your mind and thoughts take you where it wants you to.
