In a base of smooth jazz and urban R&B, he mixes in a fresh Soul style, carried by his clear, passionate vocals. 12 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: Soul Details: BRIEF BIO: Michael E. Highsmith Song Writer, Producer, Arranger, Lead Vocalist Percussionist PURPOSE: To Evolve the "Stars" of the Universe (which is YOU) into a positive direction during their time to shine with the forever Gift of Love....as we journey on our way to a higher plane of Hope and Existence. DESTINY: To be a successful recording Artist. An Artist that sets his own standards in music and breaks all barriers of Hate.....While broadening the human mind with an evolved conscious. HISTORY: I started out as an inspired poet and realized that with my ability to sing..... I could write, record and perform my own poems/songs. I have produced over 150 songs to share with you. ENGAGEMENTS: Schools, Colleges, Clubs, Local City Events DESCRIPTION OF MUSIC: Very different: Inspiring, simple - yet complex. At times, it has a very uplifting beat. It is high powered with a cosmic groove, to relate to our changing times. My sound is a very innovative, contemporary sound....a wide range of influences with high standards of excellence. DESCRIPTION OF CLOTHING: Basic comfortable clothing that expresses my personality..... A spirit of casual sophistication and freedom. CONCLUSIVE STATEMENT: I realize my sound and style is different from today's fads that roll in and out during these times of rapid change. I recognize that our universe is constantly evolving and merging with an outer space harmony, which reveals our Destiny. That is why I have created this smooth and high powered galaxy sound - to travel with us through this Journey of Life....to be seen and felt by all. NEEDS: 1. Mass Distribution 2. Regional and National Exposure 3. Marketing 4. An opportunity to share my Message AIR PLAY: I have had good air play and radio support from: WSHAW 88/9, FOXY 104.3 (Radio One), WCCU 90.7, NCA&T, Fayetteville State University NOTE: I traveled around with my band (EVOLUSHON) for 3 years. It became very hectic trying

to keep the harmony of my message in sync with the harmony of the group. So, I went Solo. Solo is working better for me. I have been very active performing at clubs, weddings, private parties, studio work, backup vocalist. Currently, I am writing songs for my next CD. Thanks and Enjoy the CD! I appreciate your listening!! THANKS!
