Gon Bounce contains 6 mixes including the Radio / Album Version, the BallerzBounce Mix featuring J-Go, the Double Play Mix featuring JOJO, the DJ Cash Twisted Mix, the SupaSonicStealth Mix featuring J-Go and the A Cappella Version. On this maxi-single, Nikkole brought in some immense talent to put their signature sounds on these remix joints. On the Double Play Mix, JOJO is not only dropping eight, but she also produced the hypnotic beat on this mix. DJ Cash of Rock Solid Productions a-la (Pete Rock, Marley Marl and The Pharcyde) brought his A-game to the Twisted Mix, where he lays down his international flow from the clubs of Denmark to Tokyo. The Twisted Mix also introduces Ken Yasuda aka Mr. Japan to add to the international flair. On the BallerzBounce Mix and SupaSonicStealth Mix, rapper J-Go flexes his lyrical muscle and makes his presence known. Producer, Lloyd Dub LT Tolbert came with fire on both of these tracks that are sure to make you crave for more on the dance floor! Lloyds credits are impressive to say the least, he has worked with such amazing talents as Brandy, Teena Marie, Anthony Hamilton, Toni Braxton, TLC, Yolanda Adams and Lionel Richie to name a few. Nikkoles skills have been recognized by various talents in the form of songwriting, singing and / or arranging for some of the greats such as The Emotions, The Commodores, Babyface, Patrice Rushen, Whoopie Goldberg, Cedric The Entertainer and the late Gregory Hines. Nikkole along with her brother Wallace Hall and Lloyd Tolbert wrote the catchy Gon

Bounce, and it is sure to lure you in with its banging beat and unforgettable melody. Nikkole is a true artist whose musicality, lyrical vibe and five-octave range will definitely make you a believer!!! During pre-testing, the song soared straight to the No. 1 Slot to make a Hot-Shot Debut at American Idol Underground. Early indications are that this cut is going to be a scorcher this summer! The single was serviced to Internet Radio on May 25th to an overwhelming response! The "Gon' Bounce" Maxi-Single will be available at iTunes on June 13th and goes for adds at commercial radio on July 4th!
