A blend of jazz, blues, R&B, and hip-hop rhythms with politically-charged lyrics. 16 MP3 Songs

URBAN/R&B: Funk, JAZZ: Jazz Fusion Details: The essence of No Boundaries is a musical and lyrical hot gumbo of jazz, blues, R B and spoken word/hip-hop flavor that transcends normal musical conventions. The wide cross appeal of a keen mixture of beats, melodies, message and mental images offers something for different audiences from 15 to 55, from high school to college. No Boundaries brings forth a special mix of music and lyrics, weaving a tapestry of funky R B, jazz, blues, hiphop rhythms and spoken word. No Boundaries consists of two special and talented individuals, Donald Whitehead and Harley Searcy. Close friends since the late 1960's, they met and forged the root of their collaboration during the birth of the legendary musical aggregation of Earth, Wind and Fire. No Boundaries was born in 1995 - an inspirational, no holds barred, politically and musically charged in your face, spoken word/musical experience. No Boundaries leads you on a marvelous journey of sizzling streets, political realities, priceless memories, and romantic raptures. So take a listen, take a journey, and enjoy the uncompromising musical energy and words of wisdom from No Boundaries.
