Details: Papalock a 14yr old artist from the East Coast has brought the sound of real "hip hop" back in a big way. Armed with production from some of the hip hop's leading beatsmiths, he is destined for greatness. Between doing shows for the WNBA's Washington Mystics, a song with Grammy award winning guitarist Carlos Alomar for the National Handicap Baseball League of America, and numerous state and city engagements, the new heartthrob of hip hop has had an busy 08' season! With singles, "Heat Babe" and, "It's True", and socially conscious records like "Dreamer"(which touch issues like A.I.D.S., MISSING KIDS) he not only can get the kids to go "crazy" but, has showed a penchant to keep them focused on real issues as well. If your tired of music that seems to be lacking substance, and want a fresh new sound to listen to.., PAPA LOCK is your answer!
