Original Acoustic Soul - Sam's first release with full band and lotsa buttah... 10 MP3 Songs FOLK: like Joni, ROCK: Folk Rock Details: "Shaber's debut CD, "In The Bunker," on Brown Chair Records, is a gem, and her honeyed voice reveals a distinct Joni Mitchell influence without being imitative." - Albany Times Union "Sam Shaber possesses the keen insight of a sage and the ability to set wisdom in motion in such a way that it becomes emotionally affecting. Hers is music that thrives on mystery and the threat of silence that lurks behind every chord change. And you'll hang on every one." - Albuquerque Weekly Alibi "A New Yorker with a resonant, gentle but forceful acoustic guitar, an easy way with words and a sweet, clear voice with plenty of emotion behind it, something easily gauged from her album, "In The Bunker," on Roxbury-based Brown Chair Records." - New Haven Register "Shaber's personality comes through in the work: a hard-working honest young folkie who's done the road." - Woodstock Times
