Dear John I received "Pulse" a few days ago. "Pulse" brings Sozra's energy level up a few notches since your previous work. Hannah Vo-Dinh's vocals provide an honest, intimate sparkle on every track, a clever blend of highs and lulling refrains. Guitars are edgier and mesmerizing. The keyboards adds some cosmic flavors to this silky smooth music. It is a true pleasure to follow the sound-swept journey of your creative mind. "Pulse" is in my play lists. Thank you for the music.
