Mp3 Spaces Between - While You Sleep

DOWNLOAD HERE

A soothing, atmospheric yet progressive compilation designed for all but specifically for parents to share with young children and infants. 10 MP3 Songs in this album (48:12)! Related styles: KIDS/FAMILY: Lullabies, EASY LISTENING: Instrumental Pop People who are interested in Pink Floyd Joni Mitchell Nick Drake should consider this download. Details: While You Sleep is a tribute to the recently birthed and their emerging minds. It has been designed as a soothing guide for a young thinker to navigate his or her way through their uncharted dreams. It also is intended to provide the nurturing parent with a peaceful and serene atmosphere, a breath of tranquility. The journey of learning, once begun is a long road. This sound track recognizes the value in concentration, challenge and accomplishment that is so unique to every developing being. We hope that you, your children, your lovers and friends find this recording most appropriate for building and sharing new and enriching experiences. About- Composed by Donald Mackay and Aaron Sinclair, Founders of Spaces Between - Inventive Musical Products.
