Details: Scott Allen Fraser, country rock sing/songwriter and esteemed adopted Georgia son, has been singing for as long as he can remember. As a four year old, Scotty first performed with a childrens choir on a weekly church television broadcast. He has been comfortable before live audiences ever since.

Scotty has performed for many years for anyone willing to listen, anywhere he has been fortunate enough to hang his hat. High energy shows is what Scotty is known for, having created a stir in the Middle Georgia region. He has played at Bike Rallys, Veteran Benefit Shows, Cancer Benefit Shows and is now affiliated with the Max Baer Heart Foundation. In association with the Atlanta Opry, He has appeared at One Star Ranch, The Swallow at the Hollow, The Red Light Cafe as well as many other local establishments. Scotty delivers the same show no matter the size of the crowd, be it two or 20,000; his main goal is to ensure that folks leave his shows with a sense that they have been truly entertained. This U.S. Air Force veteran has a sentimental place in his heart for all of our men and women in uniform fighting for our freedom all over the globe! He does his part to make sure their questions and concerns are heard, using his voice for those that fight the good fight every day! He is heavily involved in charities as he has some friends who have been affected by cancer and is now affiliated with Max Baer Heart Foundation as well. Scott spends much of his free time out meeting new folks to spread the word about his music in a grassroots fashion. Scotty has released an EP CD entitled Free As Wild Horses on I Tunes and several other online retail sites. He will be releasing an all original LP in early 2009.
