

# Hatred And Civility: The Antisocial Life In Victorian England - Christopher Lane

[DOWNLOAD HERE](#)

To understand hatred and civility in today's world, argues Christopher Lane, we should start with Victorian fiction. Although the word "Victorian" generally brings to mind images of prudish sexuality and well-heeled snobbery, it has above all become synonymous with self-sacrifice, earnest devotion, and moral rectitude.

Yet this idealized version of Victorian England is surprisingly scarce in the period's literature--and its journalism, sermons, poems, and plays--where villains, hypocrites, murderers, and cheats of all types abound.
