He was the most infuriating man. But on television it was a different story. There, Evan Taggart came off as handsome. Confident. Single. A state the reality show played up a little more than producer Leandra Clay planned. All too soon women with the same thought in mind marriage! started invading their small town in droves. So now it was payback time. Evan's ultimatum to Leandra masquerade as his fiancée or he was walking (and her career in television was toast). The choice seemed easy at the time.
