

# Migratory Interactive Applications For Ubiquitous Environments

[DOWNLOAD HERE](#)

- SIP.-Comparison of Terminal Mobility Approaches.-Session Mobility.-Mobile IP for Session Mobility.-Architecture of Mobility Support Module.- 7.Dynamic reconfiguration of application logic during application migration.-Introduction.-The Application Logic Reconfiguration Module.-ALR Application Components.-Application Logic Specification and Reconfiguration.-Related Work.-Conclusions and Future Work.- 8.Design and Development of a Migratory Application based on OPEN Migration Service Platform.-Introduction.-Aspects of Migratory Application.-Guidelines for Making an Application OPEN-Compliant.-Application Logic.-User Interface.-Network.-Context.-Policy.-Perception and Awareness of the Migration Process.-An Example of a Migratory Application: The Social Game.-Scenario.-Description.-Aspects.-Architecture.-Examples of Migration.-Conclusions.-9.Next-Generation Migratory Emergency Management Application.-Introduction.-Motivating Example.-Requirements.-Agile User Interfaces.-Agile User Interfaces Implemented.-Agile User Interfaces Evaluated.-Related Work.-Conclusions and Future Work.-10. Integration of User Interface and Application Logic Reconfiguration: An Example in the Game Domain.-Introduction.-Description of the PacMan Game.-Migration and the Main Architecture of the PacMan Game.-Application Logic Reconfiguration.-User Interface Migration.-State Persistence.-Integration of the User Interface Migration and Application Logic Reconfiguration.-Advantages of the OPEN Migration Platform.-Conclusions.-11.The Usability Evaluation and the Programmability Assessment of Migration.-What does Testing a Migratory Middleware Platform Mean?.-Usability.-The ISO Definition of Usability.-Programmability Assessment.-Programming Validation.-Conclusion about1.Introduction.-Overall View.-Motivations.-Objectives.-Technical and Architectural Aspects.-Structure of the Book.-2.State of the Art in Migration.-Introduction to Migration Frameworks.-Support for Application Migration.-Middleware Support for Migration.-Network Mobility Support for Migration.-Context Support for Migration.-Migratory Services for Games.-Advances over the State of the Art.-Advances in Migratory User Interfaces.-Advances in the Migration of the Application

Logic.-Summary of Main Advances over the State of the Art.-3.Migration Opportunities.-Setting the Scene.-Multiscreen Ambition.-Migration Platform Value Chain.-4.The OPEN Migration Platform Architecture.-The Concept of Migration.-The Advantages of the OPEN Approach.-Architectural Overview of the OPEN Platform.-Making Applications OPEN-Aware.-The OPEN Adaptors.-Client and Server Side Applications.-Partial Migration.-Platform Communication: The OPEN Dispatchers.-Partial Migration.-Platform Communication: The OPEN Dispatchers.-Communication Models.-OPEN Platform Architecture.-OPEN Interfaces.-Interface Design Philosophy.-Ensuring Data Consistency.-Conclusions.-5.User Interface Migration based on the Use of Logical Descriptions.-Introduction.-Architecture.- OPEN Platform Integrated Orchestration.-Stand-alone Web Migration Orchestration.-An Application Example of Total Web Migration.-An Application Example of Partial Web Migration.-Usability Evaluation.-Technical Migration Evaluation.-Considerations and open issues.-6.Service Migration Network Support.-Network and Deployment Scenarios.-Network Domain and Entities.-Deployment Scenarios.-Overview of the Network Support.-Migration Orchestration and Orchestation Procedure.-Context Management.-Internal Structure, Architecture and Interaction.-Internal Structure and Architecture.-Interaction with the Context Management Framework.-Adapting the Context Management Framework.-Trigger Detection and Management.-Manual Migration Triggering.-Automatic Migration Triggering.-Score-based Trigger Decision Approach.-Model-based Trigger Decision Approach.-Mobility Support.-Requirements for Mobility Support Module.-Terminal Mobility.-The Mobile Internet Protocol.-The Mobile Stream Control Transmission Protocol. EAN/ISBN : 9780857292506  
Publisher(s): Springer, Berlin, Springer, London Format: ePub/PDF Author(s): Patern, Fabio
