simple organic groove loop + soulful guitar = Life music from heart, soul mind 7 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Funk Details: If I could, I'd have Dj Monchan spin every single party I ever have. Selector be crazy. weaving ragga, hip-hop, and every danceble beat seamlessly in a set, wallflowers will a thing of the past, we would have every head bopping, and then we could take over the world! With serious guitar chops from Aota, Dj Monchan, the man behind Skyscraper in Brooklyn, brings a notable collection of cuts incollaboration with vocalists Monty, Monsieur Leroc, and the affable Miss Angelina. The beats are raw and steady, and the clear bass, guitar and horn sections are definitely a fesh take on a Dj release. File this is the same category as any of the Hotel Costes releases, but remember, it's from Brooklyn, so play it loud, and play it often. "Sounds good, don'it?" -Dobie (Theme magazine)
