Downtempo Redefined: Heavily bodied sonic reverberation unites with neo-urban dub rock. 10 MP3 Songs ELECTRONIC: Down Tempo, ELECTRONIC: Trip Hop Details: New Jersey's downtempo duo, Aratone aka (J.Tornquist, Omne) release their long awaited full length album entitled Lemonade Electrica on Me&I Records. Their definitive sound has been globally described as "supreme sonic reverberation unites with neo-urban dub rock." This essential chillout album is heavily bodied with deep dub influence, moody soundscapes, textured guitars, and layers of west indian vibe. Their uptempo single, "Polyvinyl" has been featured on numerous electronica playlists worldwide, and their electro-dub hit, "Residence" has also been making its way around the European lounge scene. This is definitely an act to keep you eyes on and your ears open to. Any fan of Thievery Corporation, Boozoo Bajou, Four Tet, Kruder Dorfmeister or Ralph Myerz Jack Herron Band will dig Aratone.
