HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Rap Details: Ramon D. Goens A.k.a. BooRilla.... Born October 26, 1976 in Funky Town Fort Worth. Raised on the south, bred on da south, still on da south, live on da south..fo real!!!! I was always da outkast of da fam stayed in trouble and shit. Had good intentions but couldnt control my attitude, didnt like to be told what to do and all that type of shit. Alternative schools because of my hyperness and anger issues even had a dose of that psychiatric hospital, that shit was fucked up cause them muhfuccaz was crazy for real! however, I know I ain really got to tell yall what road I was headed for causE it was the typical hard headed niggas path in which I dont glorify by no means. But, I rather get out there and try to survive because when ya kids hungry u cant tell em daddy cant feed u causE he dont wanna go to jail. Thats when it was time to make sacrifices causE me trying to live the typical American life without education and a jail record was unacceptable, so didnt have many choices after I fucked my life up before I got it started. I always had my hands in music but the life I was living wouldnt allow the time.. To make a long story short my hard head made a wise ass.. Caught up 7yrs.. 4 gone, bac home going strong..These niggas glorify the game but they dont specify the consequences. Them white folks aint bull shitting. Now that Im home im pursuing My goal and my dream legally. Too many niggas snitching. They aint worth watchin my seeds grow from prison. Guttamade Records! I own that playa! Legally wit God! Plus Im in barber school. I aint rich but im free..Its hard but fair. Ive been to the bottom, from here I gotta grind til I shine!!!!!!!!!!!!!!!!!!!!!! BOORILLA FOREVER.....
