The first Renaissance festival CD of the Brobdingnagian Bards. 16 MP3 Songs in this album (54:49) !

Related styles: FOLK: Minstrel, FOLK: Celtic Folk People who are interested in Owain Phyfe The Bedlam Bards should consider this download. Details: The first album by the Brobdingnagian Bards. Sixteen of the very first songs performed at Excalibur Fantasy Faire in 1999. Fresh and clean recording brilliantly captures their unique sound with a somewhat "live" quality to it. It will make you laugh. It will make you cry. It will make you smile, and it will make you sigh. All in all, you will surely come away feeling alive and fresh, ready to enjoy the pleasures life has to offer you. Review: "a kind of Renaissance version of They Might Be Giants" -Austin Chronicle - 3 STARS "Pour yourself a shot of Jameson, throw another mat of peat on the fire and let the Bards carry you away to the Emerald Isle." -Chautauquan
