An inspiring, liberating and soothing album... Cathy O's joyous songs and profound lyrics will inspire your inner child to sing along and dance through a creative fusion of styles; from afro-caribbean to reggae, hip hop, R&B and jazzy beats. 14 MP3 Songs WORLD: World Fusion, NEW AGE: Ambient Details: Cathy Oyou's latest creative venture emerged from a strong desire to share her inspirational songs. An amateur pianist, singer and creative writer, Cathy O decided in 2002 to take her pastime seriously when beautiful melodies and lyrics started to pop up from her mind. Her debut album Dare To Be is a labor of love, courage and passion. Cathy O shares her self-therapy and personal growth, and invites everyone to follow their dreams. Her soothing alto voice and liberating message will certainly motivate you to face your hidden heart desires, and fly towards new horizons. While most songs are written in English, Cathy O, a French speaking artist from Gabon, Africa, also offers creative potpourris. She effortlessly rhymes in different languages, making her positive and universal message accessible to all. These joyous songs will also inspire your inner child to sing along and dance through a creative fusion of styles and profound lyrics; from afro-caribbean to reggae, hip hop, R&B and jazzy beats.
