Cyndi's music is a melodic mix of contemporary folk, 60's folk, and bluegrass. 18 MP3 Songs FOLK: like Joni, COUNTRY: Country Folk Details: Cyndi has been playing guitar, singing, and writing music for more than 30 years. After finishing a Master's degree in social work in 2000, Cyndi had too much time on her hands. So, she filled her void by writing songs, which also served as a therapeutic tool for her. From much coaxing from friends, Cyndi began recording her music, and more than 1000 copies of her CDs have been sold worldwide. Additionally, Cyndi's music can be heard on many radio stations throughout the world. "Due to the fact that I cannot take psychotropic meds, I thank God for the ability to release my emotions through my music. The way I view it, the music helps me to get through each day and allows me to communicate with others." (Cyndi Fisher) For more information contact Cyndi via her website, as she welcomes all comments!
