

Mp3 Effacer - Electronic: Ambient

[DOWNLOAD HERE](#)

This mix of ambient drones and abstract sounds explore conversations of music with sonic sculpture. 5 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Experimental Details: Effacer is jdg. He has been producing electronic music for 10yrs and this first release is a culmination of these efforts. Although his tracks under the moniker '5thirds' have been released on small compilations, this is his first solo release. These tracks, having been produced from as early as 1997, encapsulates how jdg treats sound as a physical event in time, to be constructed and deconstructed like sculpture.
