Free Riders debut album, Beautiful Weather, is a collection of songs that blend rootsy folk with classic pop-rock undertones. 13 MP3 Songs in this album (53:00) ! Related styles: FOLK: Folk-Rock, COUNTRY: Alt-Country People who are interested in The Flaming Lips Elvis Costello The Dandy Warhols should consider this download. Details: Free Riders have risen from the dust of Futureretro because we wanted to write songs about our lives and other peoples lives, about the earth and about the weather. We wanted guitar sounds, melodies and emotion. Beautiful Weather was constructed and written during a drought in the south east corner of Australia - it took almost two years. In that time it barely rained. Free Riders know that Beautiful Weather should make us feel better. We dont want sunny days we pray for rain.
