Review - "An entertaining piece of music, as well as a functional soundtrack for the healing arts." Spirit of Change Magazine 11 MP3 Songs NEW AGE: Healing, NEW AGE: Ambient Details: Gary Edelburg has been playing trumpet since he was 12. He started touring professionally at 16 with an R&B band throughout the Midwest. After a stint on the west coast he went back to school and graduated from the Berklee College of Music in Boston with a degree in Jazz Composition and Arranging. This is his first foray into the "New Age" music category. We hope you hear something of interest.
