Funk Jazz Fusion Metal. 13 MP3 Songs JAZZ: Jazz Fusion, METAL: Heavy Metal Details: Ghost In A Shell is a four man band from Winston Salem, NC, that originally formed early 2000 under another name. Ghost In A Shell's sound has best been described as metal with funk, jazz, and fusion. Influences range from Meshuggah, Mudvayne, Skinlab, Fear Factory. Ghost In A Shell's concept is not fire, blood, and brimstone, yet the material you hear is from the heart and sole of each members life. We tell it like we see it and feel it. The songs are based off of everyday life events. "Were just being ourselves". Ghost In A Shell has had the privilege in meeting some of the best local and national bands around. Our Dream is to continue what we love to do.... Make music, meet new fans and friends, and perform live. Our priorities are set, we have hurtled many obstacle, and we know there is always more to come, but we have goals and dreams that will not be stopped, and that need to be fulfilled.
