Details: Bio of : Giles Ponticello Aside from pursuing his solo career with his 2007 CD release for Blazing Turtle Records entitled "Near the Bridge" and working solo and with a trio, Giles Ponticello is currently working as a guitarist with Linda Dachtyl's Blues Band/ aka LDB3 (please see LDB3 web site for more details) - LDB3 has played in and around the central Ohio area for several years with some of the areas top musicians such as Gene Walker, Tony Monaco, Sean Carney, Tom Carrol, Jim Rupp, etc... and has performed professionally at many of the top festivals and clubs in the Columbus and Dayton ,Ohio regions. -Giles recorded with LDB3 on their 2006 release for Chicken Coop Records entitled "Blue Bop" which made the top 40 jazz charts and had a cut featured in the June issue of JAZZIZ magazine - a Neil Larson composition entitled "Sudden Samba". Another highly acclaimed jazz band in Columbus, Ohio during the late '80s including Giles on guitar and vocals- was a group called "Project One"- which featured many of Giles's original compositions on their debut record "It's About Time". The foundation for Giles's music career began when he played guitar with the 1978-1979 OSU Jazz Ensemble which is still revered by many as one of the best college Jazz Ensembles ever produced at OSU. The group won multiple awards while performing at the Philadelphia Jazz festival for NAJE (National Association of Jazz Educators), play over 40 concerts and clinics that year including a two an 1/2 week tour of California and Nevada with performances at the Reno Nevada Festival, San Francisco's Keystone Koner Jazz Club, Donte's Jazz Club in North Hollywood and competed in the 21st Collegiate Jazz Festival in Notre Dame winning outstanding performance awards in big band and combo before

returning to Columbus to record their album entitled "Acorn's Tavern".
