An oasis of soul rap in a desert of pop radio 10 MP3 Songs HIP HOP/RAP: Rap, URBAN/R&B: Soul
Details: You knew him previously as the energetic, raspy, voice that completed one half of the Revolutionary, Hip-Hop Duo "Reborn Soldiers" along with his other half Lee Majors. Now you hear Hasani Lateef with his freshman solo debut, "For What it's Worth" the full length LP which plants his feet firmly in the realm of solo hip-hop, artists. The 10 track CD features hard hitters such as "Never Too Late" his debut single. This song is laced with a dirty south bounce and steel drum percussions that illustrate a dark, humid, stormy night in the Jungles of South America where the listener is the "Hunted". Overlaid with a raspy, powerful voice that leads you into the thoughts of a Soldier on the frontlines of a war zone where young black males are an endangered species ferociously, fighting for survival in a western wilderness. Definitely an "under-stream/main-ground" classic. The Album is also featuring his single "My Queen to Be" poetically, displaying versatility in the form of a soldier's love ballad to his life-long partner and future wife, backed by an army of melodic flutes looped over an up tempo bass-line and a subtle yet rugged, head-nodding beat. "For What it's Worth" also features cameo appearances by long-time teammates Uno vs. All and Lee Majors as they spit rounds while Hasani Lateef reloads his lyrical ammunition for another melodic, carnage after another. Produced by D.J. Biz, Uno vs All, Bless from Backburner Studios and James Flames to only name a few that collaborated with the general to keep mouths watered with numerous, head banging tracks. This flavor-filled compilation of various hip-hop anthems is in short a complete and elaborately narrated piece of art that brings you into the violent yet poetic mind of the ingenious, madman, journalist known as Kaine a.k.a. Hasani Lateef as he leads underground street cats into a chaotic yet unified, rebellion while firmly, holding industry, influenced rapper's in excruciating, submission. This Album is a must buy for soldiers worldwide and is destined to

blaze the HIP-HOP Top 10 charts on a consistent basis. Check out What's New on Hasani Lateef @
