urban rap. ghetto logic and other pearls of wisdom. 18 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: East Coast Details: This collection of music speaks of war and it's effect on us. Not just global war but national war, regional war, local war and personal war. These are my experiences what I know what I don't know and what I wish I didn't know. ...most folks are scared to live and scared to die... I bring that glimmer of hope among mass destruction. ...what you goin' do?
