With transcendent vocals and a rich blend of instruments supporting her acoustic guitar, Joy presents an uplifting and expansive landscape of beautifully crafted songs, combining elements of folk, jazz, celtic folk, folk rock and a little be-bop. 14 MP3 Songs FOLK: like Joni, FOLK: Modern Folk Details: Joy Cuming is a songwriter, singer and guitarist, living on the outermost reaches of Cape Cod in Massachusetts. She was born in New England but spent her formative years 15,000 miles away on the continent of Australia, before settling on Cape Cod. Joy has been writing and performing her own songs for over twenty years, throughout the United States, across Australia and in Europe. A gifted musician with a transcendent vocal ability, this singer, sailor, songwriter and architect is finally releasing her first solo album, Lucky Child. The music is expansive and uplifting, drawing on a number of musical genres and exploring personal experiences that we can all identify with. Joy's vocals and acoustic guitar are featured throughout but each track has its own unique blend of instrumentation including saxophone, electric guitar, keyboards, drums and percussion, bass guitar, flute, violin and accordion and backing vocals.
