Catchy 80's inspired synthpop. 12 MP3 Songs ELECTRONIC: Synthpop, ELECTRONIC: Dance Show all album songs: The Remix LP Songs Details: The Remix LP was originally released as a limited edition red vinyl LP featuring a collection of DJ-only and previously unreleased remixes. This expanded release features the original six tracks, all newly remastered, plus six bonus tracks. I Heard You (On The Telephone) (Redial Remix) A fan favourite, this song has been given a dance makeover while keeping all the catchy hooks of the original. Satellite (Orient Express Long Distance Distortion Mix) An extended dance mix that takes this synthpop anthem onto the dance floor. Angel (Summer Of '79 Mix) Another fan favourite but this time given a rock-disco makeover. Over You (Double-Oh Infinity Remix) An extended synthpop remix that mixes dance beats with lush string arrangements. Sonata (Extended) An extended version of Moonlife's instrumental love theme. Fade (Dance Remix) An uptempo dance remix. Bonus Tracks: So Cold (Torch Version) A re-working of Moonlife's synth ballad. Last Train To Clarksville Originally a "b-side" of "Satellite", a synthpop cover of The Monkees classic pop song. Andromeda Another "b-side", this instrumental bridges space-age synthpop with Olde Europe touches. Failing (Hypnotic 7" Remix) An uptempo dance mix of one of Moonlife's more melancholy tunes. I Heard You (On The Telephone) (Mini Mix) A stripped down synthpop remix. Swan Song (Kiss The Curtain) (Mellow Mix) A sweeping, tranquil remix.
