

Mp3 Omar Chandler - The Best Of

[DOWNLOAD HERE](#)

With the raw soul energy reminiscent of his hero Teddy Pendergrass, this is one you don't want to miss. B.O.C. Music Presents: The Man, The Music, The VOICE. 16 MP3 Songs in this album (78:27) ! Related styles: URBAN/R&B: Soul, EASY LISTENING: Adult contemporary People who are interested in Marvin Gaye Luther Vandross Frankie Beverly should consider this download. Details: OMAR CHANDLER With the smoothness of Teddy Pendergrass, the soulfulness of Frankie Beverly and the heart of a lion without fear. Its easy to envision Omar Chandler: A regeneration of soulfulness that compels people to dance in the street. Amazingly his gravel voice emits a pulse stopping, harmonious sound that appeals to the heart of old school lovers, and the hip-hop generation. The Harlem- born Chandlers music career began way before his first appearance at the Apollo Theatre Amateur night in the 80s, which he won hands down, according to a very enthusiastic crowd. Omars musical resume highlights the rest of the story: A featured appearance on Rob Bases hip hop classic, Joy and Pain. He released his debut self-titled album on MCA. He has also added his voice to reggae artist Shelly Thunders hit, Working Girl. And who can forget the melodious tempo that supported Rich Nices hit, The Rhythm? Working with notable artists such as Teddy Riley and Bobby Brown really helped expand Omars ever-growing popularity in the music industry. And without hesitation we add to that list, top R&B producers Rodney Dark child Jerkins, Bink Dog and Pharrell. Snatching fares in New York City as a cab driver to climbing the ladder of success on the R&B music chart wasnt an easy ride. Omar had obstacles he had to deal with. And one was trying to fit in. If it dont fit, dont force it, let it happen naturally, is his new motto. Following his mothers wisdom and advice, dont get on a high horse, and stay humble has sat Omar on a course to achieve all of his dreams. He doesnt need to fit in, to satisfy the masses. To err is human; to forgive is divine (Alexander Pope) is a sentiment, quietly thought of, or verbally spoken by many people, including Omar Chandler. That may

have compromised his appearance on the music circuit, and had his many fans asking themselves, Where is Omar Chandler? The good news is that Omar has overcome some personal, untimely setbacks and he is back in the studio. The inspiration for his new release Daddy Come Home, was inspired by a book written by childhood friend, Anthony Chisolm, entitled Please Daddy Come Home. Omar proudly admits that the lure of the Big Head Hundreds is enticing, but it is not the reason why he sings. First and foremost I love to sing, Omar says. And I will always sing, whether or not I'm getting paid! Proudly Omar admits that his desire is, through this gift of singing that God has blessed him with, to help others to put a smile on their face, and in their heart. Now how is that for loyalty to an art you love?
