Pharmacy Musick capitalizes on the mixtape market, and introduces the world to its full line up, and stays true to the mixtape format with all new music, remixes, and blends. Remixed on their latest cd/mixtape is BIG-CHRIS', "Bang-Bang" with classic Nancy Sinatra "Bang Bang(My baby shot me down)", The Pharmacy also pays homage to the Sir Mix-A-Lot classic "Posse On Broadway", on their track title "Back to the Hood"- both of which were classics of their eras and received a make over to become favorites on this album. Another standout on this local masterpiece is "Last Breath", an in your face high powered outro that definitely takes your breath away, and closes the casket on anyone trying to hate on this local label. This Rx mixtape features all new music, and some hot new blends. Whether it's the hardcore in your face rap, to the smoothed-out laid back beats and rhythms, this cd-compilation has a little bit of everything, which makes "The Prescription" a cure for what ever ailes you. The Pharmacy is a must for the local music scene, they also realized there were talents outside of their family practice, they gave referrals to other local independents such as Asthma Attack Productions, and Kaz and Nikoli of Aqua Sound both of which are featured on this Pharmacys' latest remedy
